

Waratah, Blooms in Royal National Park (part). Acrylic on canvas by Pamela Griffith

# Field Guide to Royal National Park

The Linnean Society of NSW is pleased to offer this up-to-date and comprehensive 176 page guide, extensively illustrated in colour, to the natural history of the Royal National Park: its geology and geomorphology; plants and vegetation; mammals, birds, frogs and reptiles; insects, spiders and non-marine molluscs.

Edited by Robert J. King.

**\$14.95 + \$4.50 postage (in Australia)**

**Members Price \$11 Post Paid**

This beautiful 128 page hard-cover facsimile edition of the 1902 *Official Guide to the National Park of New South Wales* is complete with original map and 23 plates.

The fascinating text describes the history and the beauties of the park through the eyes of the author more than 110 years ago.

This is a limited print run so don't miss out.
